QC Knights VBC

- My plan this year is to have all levels practicing 1-2 nights a week and playing in 5-7 tournaments. 11u-14u will be participating in a Thursday night league. There is also talk of a league for high school level teams depending on the amount of interest from other clubs.
- I understand that we have a lot of multi-sport athletes that are interested in playing for this club. Depending on feedback from parents meeting Nov. 25th I may consider having a few teams that will have a less intense schedule and will be more cost friendly.
- Please feel free to contact me with any questions.
